

Father's Day Letter to Grandfather

Dear Grandpa,

Happy Father's Day! I feel like it's been forever since I've seen you. I hope the year has treated you and Grandma well, and that Father's Day brings you all the best.

It's been a hectic year for me. Graduating college and moving across the country has been quite the adventure! After several rough months of job hunting in a bad market, I've finally found a position that is both paying the bills and giving me something extra to put away. Just like you've always told me to, I've been saving for a rainy day!

I miss everyone back at home! I'm still getting settled over here, but I think I might be able to get a lift back to your neck of the woods around the holidays. It'll be great to see everyone again, and finally catch up with you properly!

Warmest regards,

Laura
